4.3 For Patna University eighty (80%) of the total sanctioned seats of the subject concerned shall be reserved for the candidates having graduation degree from Patna University and the remaining 20% seats shall be open. The decision has been taken in view of the following observations:

“The academic calendar in Patna University is strictly followed and the session for both UG and PG courses are exactly on schedule, whereas in all other state universities in Bihar, the sessions for both U.G. and P.G. courses are late by two to three years. Therefore, it is reasonable to give opportunity to students graduated from Patna University to take admission in P.G. course in Patna University, otherwise the Patna University graduates have to wait for 2/3 years to continue their P.G. studies and suffer a break in the continuity of their academic carrier. This will lead to injustice to the students graduating from Patna University. Therefore, it is proposed that 80% seats be reserved for the students passing out from Patna University.”
