Nothing

No

Need computer lab

Truly submit

I am studying in department of zoology pg patna university and our lab has no facilities infact when i was 12th there was good practical lab than this. So something should to do university for this problem

More of Practical Learning should be taught to students.

Study with some new technology advancement , so that we have also learn some data of the related political through technology enrichment.

Curriculum is good but we should focus on how we can use those subjects in real ground level when we face the problem and anything in practical life ..

No

1.Invite successful earlier students of the college who is now civil servants so that they motivate students.

Poor

There should me some field visit and example based teaching.

Size of syllabus too much load on the students so we should to size of syllabus is less and and relations between to technology advance.

Student needs to do practical more than theory.

Good teaching syllabus was also not that vast..

Thik thak

बिहार में जो उत्तम व श्रेष्ठ हैं सबका पोषक पटना कॉलेज है

Every thing is best but only lack of some instruments.

Less the syllabus

Need to cut some parts of syllabus which not help in present and future time.

WITH STUDY, THERE SHOULD BE EDUCATIONAL TOUR, TOO.

High load on students as curriculum is very vast and lengthy with short span of time

Please provide a labs and practical knowledge not only theory based and provide skilled teacher.

Bad infrastructure

Lab quality should be improved.

University should aware about courses and classes

You are just asking the survey did you take any action on this if you have time to see my response then please come and visit every department and take a feedback session without involving any teacher then every student will tell you the worst situation of this institute

Need to improve

अयम् एकः अति उत्तम महाविद्यालयः एवम्  
शिक्षकः अपि अति उत्तम

Overall Moderate

Should emphasize on practical learning

Not any suggestions

Need to establish computer labs in college & provide new edition books in library

INTRODUCE CASE STUDIES IN THE SYLLABUS

NIL

There must be latest equipment introduce in laboratory

1. Syllabus not upto recent academic demand. It's extremely outdated.
2. No focus on practical aspect of Commerce
3. No intership, group activities, PPT, etc

Provide learning skills and knowledge regarding to growth of student

Syllabus size should be increased

syllabus should be more organized and well structured

Nothing

Overall curriculum is good

Overall good but need some improvement

Modern sequence and better objective for the courses  
Proper technological advancements and self,skill learning

No suggestions

Need of well equipped laboratory

Elective course are very good.and encourages students to self learn.

none

Using new technologies to solve the problem of curriculum

Syllabus should not be given too hard . Please

Please provide a class room for fourth semester in bca department of Patna college  
And don't have computer lab  
Not using ICT, lcd projector in the class room

Me

There should be more syllabus of advanced mathematics in comparison to pure mathematics .

RUPESH KUMAR SHARMA

Need more teacher

provide professor in department of mathematics & many problems solve plz

Include project in syllabus and computing mathematics include in curriculum

Requirement of Computer lab, library (not open),more professors,clean water

Requirement of computer lab, more books in Library, more faculties.

Requirement of more bonafide faculties.

Very good facilities

Our department has lack of teachers,  
Library is not always open,  
Water is also not very clean

Classroom and window should be clean.

Requirements of more faculties, computer lab, please open departmental library

.

Overall moderate syllabus

More practicals should be performed

It can be change to some better towards the best

Solve the problem

Lab work should be in condition

Need improvement in Department

The curriculum should have the more practically enriched.

1. The core courses are good.
2. The choices of elective course is not satisfactory. There is not any deficiency in the number of teachers in department. Students should have more choice in selecting elective course.
3. Use application based study phenomenon.

NA

Improve teaching methods and use new technological methods and avail the different soft skill courses.

Willingness of Department to implement above things is very low . So there is need to utilize resource at maximum possible extent

Department willingness to provide modern tool is very poor so there is need to strengthen the administration of Department

Apart from the theories, teacher have to promote practical aspects, teacher, and collaboration with student also important

Practical knowledge should be added.

And internship and field/ industry visit opportunity should be provided

It can more improve.

All good

It needs to be modified.Because it is very old as per today's(A.I era) requirement.

Very good
